

Hello,

My name is Darlene Vatcher-Thomas, better known as Miss Darlene.

. I am married to a terrific guy, have a wonderful son, a beautiful daughter-in-law and 4 fantastic grandkids.

I have my diploma in Early Childhood Education from Algonquin College, Ottawa, ON. I have 20 plus years of experience working in preschool programming. Children have always been a very important part of my life, I do my very best to put in the extra effort it takes to meet each child's specific needs. The past year I have been the teacher here at Glendale Community Nursery School. I have really enjoyed working in such a positive environment. I am determined to keep Glendale a well respected place for parents to bring their children and I am so happy to be apart of a wonderful nursery school.

The children are taught through many songs and art activities, stories and learning games. The look of joy on the faces of young preschoolers when they learn something for the first time is so exciting, and the reason why I continue to teach here at Glendale Community Nursery School.

The children here at Glendale have given me a great deal of joy. They are always eager to learn and try new things! I am dedicated to giving your preschoolers all of the tools that they need to succeed in Kindergarten. I look forward to seeing their faces every morning and watching them grow as we explore new concepts. I see the classroom as an opportunity for everyone, including me, to learn and grow. I truly believe I learn as much from the children as they do from me. They've taught me to live in the moment and enjoy each day as it unfolds. They also remind me of the great joy there is in learning, no matter what your age it is such a joy to watch the kids develop and explore. What I look forward to the most is developing a special relationship with each child in class and providing them with the gift of being able to learn.

Thank you for giving us the opportunity to teach and make a difference in your child's life

Miss Darlene
