From the Editor

The Glendale Thumper is a forum and news source for residents of the community of Glendale/Glendale Meadows in Calgary. Publication is 4 times a year - in March, June, September, and December.

We'd love to hear what you, as a reader, would like to see in The Thumper – and always open to submissions of articles, photos, story ideas and more.

Watch the community Web site ([www.glendalecommunity.ca](http://www.glendalecommunity.ca)) between issues for time-sensitive stories and announcements.

Opinions expressed in this newsletter are not necessarily those of the Board, nor the Organization.

## President's Message

Hello Everyone! I neglected to get a president's message out of Jim Kelly before he headed away for holidays - so am going to try and fill in for him in this space - and though I couldn't possibly duplicate his folksy stylistic manner - do hope to convey his intended content.

An interesting word, "content". It means both 'happy' and 'that which fills something.' A good word to describe Glendale Community Association meetings because there is a lot going on and everyone seems fairly pleased with how things are proceeding. I say this because I've been there and seen many a meeting with over 20 people attending, each of them heard, each with a role, - and all things proceeding efficiently and with very little acrimony.

Community parties are organized and held, new events are discussed and put into effect, city rec liaisons courted, the skating rink is lovingly built and maintained, the pre-school is housed and respected, the hall and grounds are well kept, space is rented for weddings and parties, sports are coordinated, tennis provided, fund raisers lined up, politicians entertained, Scout and Guide programs eagerly subscribed, civic matters addressed, and improvement projects are planned and implemented.

With money in the bank, resources contentedly utilized, and ideas flowing, an observer might think "all is well - don't rock the boat".

Nope.

That is not the case. Some of the positions on the community board have been held by the same people for well over a decade. These dedicated people would never desert, would always want to remain involved - - but deserve a break. It's time for other community members to fulfill their sense of civic duty and step forward. We (and that's not "we" as in me and my special club - it's "we" as in all of us in the community reading this together) have our Annual General Meeting on Wednesday September 21 at 7pm.

It's time to attend.

Kelvin Adolph

### Tough on Crime...

Recently, Bill C-2: The Fair and Efficient Criminal Trials (Mega-Trials Legislation) received Royal Assent. This legislation aims to reduce the delays that are common when court proceedings are complex and drawn-out.

Our Government received a strong mandate to continue making our streets and communities safer.

When there are numerous charges against multiple accused and there is a need to call many witnesses, mega-trials can take up a lot of court time and tend to progress very slowly.

Our National Government is taking action to ensure that the justice system can deliver justice when faced with mega-trials.

Criminals involved in drug trafficking, white-collar crime, terrorism or organized crime must be dealt with swiftly and effectively so that our streets and communities can be safe places to live, work and raise our families.

With this legislation, our Government is providing a number of important tools that will reduce the length of mega-trials.

The Fair and Efficient Criminal Trials Act would help improve Canada's justice system through:

- Stronger case management
- Reduced duplication of processes
- Improved criminal procedure.

### For all Canadians: Stability. Prosperity. Security...

Canadians chose a strong, stable, national Conservative Government that will deliver on improving the financial security of Canadian families and communities, investing in improving our healthcare system, defending the rights of law abiding citizens, and promoting Canadian values such as democracy, human rights and justice on the world stage.

- The economy remains our Government's top priority. Our focus will be to complete Canada's economic recovery.
- On Monday, June 6, 2011, our Government introduced the Next Phase of Canada's Economic Action Plan – a low tax plan for jobs and growth - to ensure Canada remains one of the world's top-performing advanced economies.
- Our Government will be guided by the priorities of Canadians, that being:
  - o Here for jobs and growth;
  - o Here to eliminate the deficit;
  - o Here for hard-working families;
  - o Here to stand on guard for Canada;
  - o Here for law-abiding Canadians;
  - o Here for communities and industries;
  - o Here for integrity and accountability.

The Wildrose Calgary-Currie Constituency association would like to introduce their recently nominated candidate, Corrie Adolph.

Corrie Adolph is best known for her battle with the real estate industry when she began her low fees real estate company in the 90's. Since then Corrie has earned a Master's degree in intercultural communication and has been designing and delivering curriculum for an employment training program delivered on several Alberta First Nation reserves.

Prior to this, Corrie was president of Canadians for Military Preparedness for 6 years. This work brought her to the attention of the Canadian Navy where she went to work in Ottawa at National Defence Headquarters as a strategic communication advisor.

Corrie is the proud mother of three grown sons, Joel, Nathan, and Nicholas, all of whom attended school in Glendale at CCS.

We know Corrie will represent the residents of Glendale/Glendale Meadows with enthusiasm and integrity, and we encourage you to vote for Corrie Adolph in the upcoming provincial election. You can read more about Corrie Adolph, and the Wildrose Party at [www.corrieadolph.com](http://www.corrieadolph.com)

Ward 6 Open House! Mark Your Calendar and Plan to Attend!

It has been a busy first term as your Ward 6 Alderman! The learning curve has been steep as dozens of new projects and updates on projects under construction have crossed my desk over the past 11 months, both from City Administration and the development industry. The road network on the west side of the city has been a challenge and I appreciate your continued patience as we move closer to the completion of much of the major roadwork and the West LRT. I am looking forward, as I know you are, to the opening date in December 2012!

I have also welcomed the opportunity to dialogue one-on-one with many of you in the community – both at meetings and on the street – to better understand the challenges in your neighbourhoods. My focus is to be accessible and to maintain open communication with residents in Ward 6 and I encourage you to continue to provide me feedback.

In an on-going effort to continue the dialogue, I'm hosting a Ward 6 Open House and invite all of you to attend. Please mark your calendars and bring your questions!

Thursday, September 22, 2011  
7:00 – 9:00 PM  
Strathcona Community Centre  
277 Strathcona Drive SW

I have invited City representatives to provide updates on specific projects in Ward 6 as well as information on City programs and services that are available to you. Animal & Bylaw Services, West LRT Project Office, Calgary Police Service, Transit, Roads, Recreation, Parks, Fire, Water Services, Waste & Recycling, Community & Neighbourhood Services and others will be on hand to share their latest initiatives and answer your questions.

I look forward to meeting you all on September 22nd!  
Alderman Richard Pootmans

## Thanks Glendale and Glen Meadows!

The Glendale 101 Beavers, Cubs, and Scouts had a great year once again. And again they would like to express their thanks to the community for the support they receive. The donations of bottles, Canadian Tire money and real money, have funded outings, camps, and this July helped send the Scouts to the Pacific Jamboree on the Sunshine coast. It was an incredible event with a couple of thousand fellow Scouts, and something the boys will remember the rest of their lives.

### Cub Leaders Needed

We already have 2 experienced leaders and we need 2 more new leaders to join them. Men and women are welcome. No experience required -- just a desire to have fun with 8 to 10 year olds! Cubs meet on Wednesday evenings at the Glendale community centre. Contact [michele.harding@shaw.ca](mailto:michele.harding@shaw.ca) or (403) 217-5447 for more details.

## Back to school safety

Alberta Health Services EMS would like to remind parents and students of some basic road safety tips as streets become busier with the return of the school year. Pedestrians and motorists each have an important role to play- road safety is a shared responsibility.

### Motorists

- Avoid talking on cell phones, texting, or any other behavior that diverts your attention away from driving.
- Give right of way to pedestrians who have activated overhead crossing lights or who are waiting to cross from a street corner.
- Remember it is illegal to pass vehicles, other than those that are parked, in school zones or playground zones during posted hours.

### Around school buses

- Flashing amber lights mean a bus is slowing down to stop. Motorists should do likewise.
- No matter which direction you are coming from, STOP when approaching a school bus with activated flashing red lights - unless the bus is on the opposite side of a divided highway from you.
- Driver courtesy goes a long way. By simply being alert and cautious when approaching a school bus, you are contributing to school bus safety.

### Pedestrians

- Cross only at marked crosswalks or street corners that have clear visibility from all directions.
- Make eye contact with all drivers before crossing the street.
- When activating overhead crossing lights, pause before stepping off the curb to ensure motorists in both directions have come to a complete stop.
- Stay within the crosswalk lines until fully clear of the road way.
- Obey pedestrian lights at intersections. Cross the street only when you see the 'walk' sign and only when all cars have come to a complete stop.
- If you are with young children or pets, hold your child's hand firmly and keep a solid grip on leashes when crossing.
- Remember: children learn by observing you. By teaching them safe crossing habits as early as possible you can reduce the chance your child may be involved in a preventable auto/pedestrian collision.

Calgary Board of Education

## Welcome to Glendale School

*By Deborah Ling*

---

Glendale School, located at 2415 Kelwood Drive S.W., is a Calgary Board of Education public school. Students attending our school reside in the Glendale/Glenmeadows community and also in over 20 other Calgary communities. Parents access Glendale School's educational program with the understanding that learning will be dynamic and rigorous so that students will grow academically, socially, emotionally and spiritually. Our parent community through the Glendale School Council supports the school's access of expertise from a professional robotics expert and a variety of artists. This parent and school commitment provides for strong inquiry-based learning, NXT robotics education, technology infusion and artistic opportunities. We have a strong academic focus integrating math, science, language arts, social studies and the fine arts. Environmental education, music and healthy active living are integral to the creative, imaginative and balanced learning experience. Our staff works to provide students with learning opportunities that will connect them to local, provincial, national, and global issues. Regular learning celebrations and website publishing occur to showcase student work and success. Please check our school website for further information about our school and our inquiry projects: <http://schools.cbe.ab.ca/b143/>  
We work towards being a peanut-free environment for all members of our school community.

We are very excited about the opportunity to work with Calgary Opera in 2011-2012. Our participation in the *Let's Create an Opera* educational program will give Glendale students the opportunity to venture into a new world of artistic and musical endeavor as they collaborate with a librettist/director and a composer.

New to the 2011-2012 year at Glendale School is the on-site Before & After School Care Program for Glendale students who may require this service. Glendale Quality Care is a recreational based childcare program within a group setting. For more information and registration, please contact Jodi Durant, Executive Director of Quality Care at 403-560-4881.

We continue to accept registration for the 2011-2012 year. Office staff will be available to assist you on August 25<sup>th</sup> and 26<sup>th</sup>. If you are new to the community of Glendale/Glenmeadows and would like to register your child at Glendale school, please call 403-777-8330. During the week of August 29<sup>th</sup>, the school will be open between 8:00 am and 4:00 pm. We would be happy to discuss your child's educational needs with you.

**VANISHING OF THE BEES** Co Directors George Langworthy and Maryam Henein 2011

Honeybees have been disappearing across the planet. Colony Collapse Disorder has brought beekeepers to crisis in an industry responsible for pollinating crops that make up one out of every three bites of food on our tables.

The film follows David Hackenberg and Dave Mendes as they strive to keep their bees healthy, fulfill pollination contracts and struggle to plead their case on Capital Hill. Filmed across the US, in Europe, Australia and Asia, the alarming disappearance of honeybees and the greater meaning it holds about the relationship between mankind and our earth is examined. 90 min

Conversation Leader: **ELIESE WATSON**, founder of A.B.C. (Apiaries and Bees for Communities) develops sustainable communities of urban beekeepers throughout Calgary.
